

Lottery Credit Information

- You may claim a lottery credit on 1 tax parcel in the State of Wisconsin. You must have been the owner of the property described in the parcel on January 1, 2008 and used that property as your primary residence for the year.
- If you qualify, you should see a Lottery & Gaming Credit on that parcel on your tax bill.
- If you qualify, but did not receive a credit on your tax bill contact your county treasurer. You will be given a form to complete that will tell you what your credit will be on this years taxes.
